Frequent Buyer Reward program with Frenchie

My reward incentive is a way to express how much I appreciate your business.

Here is how it works:

- For all Orders placed on my web store you earn one point per \$30.00 before tax and shipping. Order of 29.95 doesn't qualify (ex: if your order is \$60.00 before tax and shipping you get 2 points and at 90.00 you get 3 points with no limit)
- IMPORTANT YOU are responsible to track your own order. You can view your order history in your account click "History Order"
- Separate orders may NOT be combined.
- Only Web orders qualify for this program.
- Orders of \$150.00 or more will get the Hostess benefit from Stampin'Up!® plus points
- Only one customer per reward
- Each customer needs their own tracking number (i.e. You may not combine multiple customers).
- When you reach 15 points just e-mail the tracking info for me to verify.
- After I verify your orders, I will send you a **Stamp Set of your choice** (excluding Hostess sets).
- Points expired after 1 years from order purchase date

15 Points= FREE Stamp Set or travel Case or 20 Points= Dauber Case
