

## Retired List From the Annual Catalog 2018-2019

You will see a \* after the item number where the stamp set is reconfiguration into cling stamp, the stamp set will be available in the new annual catalog in cling. Where it is 2 \*\* it is a bundle that is retiring at the 10% discount but the stamp set stay also if it is wood or clear it will be reconfiguration into cling. ALL bundle is retiring that is the 10% discount but many the product will be in the up coming catalog. All returning product I have the \* by the number

The first part of the list are the full pist by page number and the 2nd part is ONLY stamp set listed in alphabet order.

CARRYOVER CLEAR-MOUNT AND WOOD-MOUNT STAMPS this is the one that I added the \* by the item number

Effective immediately, stamp sets offered in clear-mount or wood-mount in the 2018–2019 annual catalog that are carrying over into the 2019–2020 annual catalog will be offered in clear-mount and/or wood-mount until existing inventory has been depleted or until June 4, 2019 (whichever comes first). Once our inventory is depleted (prior to June 4, 2019), you will be notified of the automatic switch to cling when placing an order for that stamp set. All carryover rubber stamp sets will be available in cling medium only (with the exception of background stamps in North America) beginning June 4, 2019.

All retiring items are only available while supplies last and will be discontinued after June 3, Which-ever come first

Due to high demand for retiring stamp sets, these items will have guaranteed availability until May 24; all other products are not guaranteed and are available while supplies last only.

Retiring items are eligible for Stampin' Rewards with qualifying orders.

Retiring host sets may be purchased using Stampin' Rewards from a qualifying party only.
